## New County Jail Contract Is Let

A \$509,954 bid of the Arnold Construction Co. for building a new county jail was accepted by the county commission Tuesday.

Arnold's bid, recommended as the lowest received, is for building the proposed ultra-modern prison according to original plans except that one wing will be left without cell blocks for the present.

To help pay for the building the commission Tuesday invoked a law permitting it to levy a special county-wide tax of up to one mill for 1950.

For some years past the commission has been accumulating money raised by a special jail building millage. But, in a resolution adopted Tuesday, it found it necessary to provide more money to "implement" the accumulated funds. It declared it for the best interests of the county that the long planned jail be built without further delay.

County Attorney Harry Johnston was instructed to co-operate with the city of West Palm Beach toward getting the city clear title to a 120-acre tract, sought as possible site for a Negro housing project.

**Flister & Coan, WPE publicity firm,** was employed to handle county publicity Jan. 1 to Oct. 1, 1950, at pay of \$200 a month.

Commissioners authorized lease to the Census Bureau for \$50 a month of Building T-158 at Palm Beach International airport.

Commissioners also: Referred to County Engineer J. M. Boyd a letter from the General Services Board of Community Service, a Federal bureau, calling attention to funds available for public improvements.

Approved distribution of insurance monies received for hurricane damages to facilities occupied at the county airport by the Palm Beach Aero Corp. Chairman Lytal said the county will receive \$4,600 and the corporation, \$5,890.

Instructed the attorney to draw up a lease allowing ownership of a nursery to use approximately five acres of county property at the airport, east of the drainage canal. The lease is for \$10 a year, subject to cancellation on 90 days notice.

### WINS WHITE RIBBON

Jo Ann Goodson of Canal Point, 13 years old, won a white ribbon in the recent 4-H Club poultry exhibit for Palm Beach County held in West Palm Beach. Jo Ann entered a hen which she raised from a baby chick hatched last April.

Mr. and Mrs. S. A. Gammage of Lake Worth visited friends in Pahokee this week.

## College Students Attend Lions Club

College students home for the Christmas holidays were guests of the Canal Point Lions Club at the regular dinner meeting this week.

Lon Adams, program chairman, introduced Rev. and Mrs. Earl J. Jones who presented a musical program in which they sang several solos and duets, accompanied at the piano by Miss Patsy Maxson. President A. R. Harrington presided at the meeting.

## Governor Warren In Returned To Hospital

TALLAHASSEE—Gov. Warren is resting in the hospital again after emerging briefly to spend Christmas with his family.

He left Tallahassee Memorial Hospital last Thursday after spending two weeks recovering from "physical and nervous exhaustion." However, reported Mrs. Warren, there were "about eight or nine children" spending Christmas at the Governor's mansion, the telephone kept ringing and there was a steady stream of callers.

"Does that explain it?" she asked laughingly.

Guests at the mansion during the Christmas weekend included Warren's three brothers, his sister and their families and Mrs. Warren's mother.

The Governor's physician reported Warren "wasn't feeling so good last night. He was not up to par to go back to work. He was considerably fatigued. He was readmitted to the hospital for several more days rest."

Miss Jane Rebecca Chastain of Jacksonville will return home this weekend after a holiday visit with her uncle and aunt, Mr. and Mrs. E. L. Pope.

Dr. and Mrs. Faust Durden of Atlanta spent Christmas with her parents, Mr. and Mrs. G. Lawton Sims of Canal Point.

The State Board of Control has announced that \$9,055 raised from a special racing program at the Tampa Dog Track, will go into funds for the University of Florida, Florida State University and Florida A. & M.

There were 281 new cases of tuberculosis reported in Palm Beach County from January 1, 1948 through December 31, 1948. It would be wise to check your chest at the Palm Beach County Clinic at the corner of 2nd Street and Olive Avenue. Chest x-rays are free.

Here's a hope that  
the days of 1950 will  
be brimming with contentment  
for all of you.  
A very Happy New Year.

## Methodist Plan Revival Jan. 1st.

A two weeks' revival will be conducted at the Pahokee First Methodist Church by Dr. Carlisle Hubbard, evangelist of Cambridge, Md., starting Sunday, Jan. 1 and ending Sunday, Jan. 15. Services featuring special music will be held at the church each night at 7:30 p. m. through the revival period.

Dr. and Mrs. Carlisle are expected to arrive in Pahokee this weekend and Dr. Hubbard is scheduled to give the New Year's Eve message at the watch night service in the church auditorium Saturday night from 11 p. m. to 12 midnight.

## Eppley Sisters To Sing In Canal Point

Rev. Earl J. Jones, pastor of the Canal Point Methodist Church, is making arrangements to have an outstanding musical program presented in the church auditorium on the night of Jan. 21 featuring the songs of the Gospel Quintet which is composed of the five Eppley sisters. These talented singers and musicians are widely known throughout the North for their beautiful renditions of religious songs, but to date have made few appearances in the South.

Mr. and Mrs. C. G. McLarty have as a holiday guest their nephew, Mack Robinson of Pensacola.

### HURT IN CRASH

C. P. McClelland and Miss Clarie Noble, both of Jacksonville were taken to the Everglades Memorial Hospital Saturday evening for treatment of injuries received when a truck crashed into the car in which they were riding with Miss Noble at the wheel. McClelland suffered numerous bruises and Miss Noble, a fractured leg. Both are expected to be able to return to their home in Jacksonville this weekend, according to hospital officials.

## F. G. Gillis Named Worshipful Master

F. G. Gillis has been elected worshipful master of Everglades Lodge 211, F&AM. Other officers chosen for the coming year at the annual election held in the Masonic Hall were as follows:

D. W. Cunningham, senior warden; C. L. Hall, junior warden; R. Henderson, treasurer; S. J. Baggett, secretary; J. P. Parker, senior deacon; Glenn Abling, junior deacon; Gordon Hillier, senior steward; Wade Ammons, junior steward; W. V. Unwin, chaplain; Axel Jensen, tyler, and Ellsworth Keen, marshal.

Miss Jane Sims of Atlanta is spending the holidays with her parents, Mr. and Mrs. G. Lawton Sims in Canal Point. Arriving today from Atlanta to spend New Year's and attend the Orange Bowl game in Miami are: Miss Nina Oswald, Miss Elaine Wilkins, Capt. M. A. Walker, Capt. James Cain and Perrin Reynolds.

## Santa Claus Treat For Local Kiddies

More than 600 bags of Christmas treats were presented to the children of Pahokee and Canal Point by Santa Claus following his arrival in Pahokee Saturday evening, according to a report given at the Tuesday luncheon meeting of the Pahokee Lions Club. Santa's special trip to the children of this area was jointly financed by the Lions Clubs of Pahokee and Canal Point, Fred and Percy Mansfield Legion Post 90, BPOE Lodge 1638 and the Pahokee Rotary Club.

A report was also given on the many Christmas baskets distributed to needy families in this area under the auspices of the Salvation Army. It was pointed out at the meeting that following the unusually early freeze, the last of November work has been scarce and many migrant families are having difficulty making ends meet. The Christmas baskets of the Salvation Army this year filled a real need and were gratefully received by these people. Members of the Lions Club, assisted with the local distribution of the baskets.

## Attendance Awards For Choir Members

Following the presentation of the beautiful Christmas cantata, "Music of Bethlehem" by the Vespereen Choir to an overflow audience in the auditorium of the Pahokee First Methodist Church Wednesday night of last week, Mrs. L. W. Armstrong, president of the sponsoring Vespereen Club, presented attendance awards to the following members of the choir:

Miss Louise Hatton, Miss Thelma Vann, Miss Eleanor Walker, Miss Robert Hatton, Louis Collins, Glen Boland, Neil Kennen, Anna Lee Hurt and Rita Faye Hurt, perfect attendance at all rehearsals and performances since the start of the choir; Miss Carol Snyder, John Rogers, Donald Pickett, Bobby Howell, Chuck Elliott, Jack Boland and Bobby Schroder, perfect attendance except for one absence.

On behalf of members of the choir, David Ramey presented to their director, Mrs. Mildred Todd, a beautiful covered cake dish in appreciation of her inspired leadership.

## Why The Delay?

Several weeks ago county trucks hauled in fill on the hospital grounds. County equipment graded the fill and had it in first class condition for grassing and beautifying—which the city and hospital board promised to do. Today (and next week if you care to look) you'll see that NOT A SINGLE THING has been done toward beautification. A good way to start the New Year would be for someone responsible for the beautification job to do something about it.

## Double Wedding For The Hillier Girls

Nuptial vows were exchanged in a double wedding ceremony uniting Miss Thelma Jean Hillier and Eugene Ross Brown of Bear Mountain, N. Y., and Miss Donna Joanne Hillier and Eugene Whipple Potter of West Palm Beach at the Pahokee First Methodist Church Monday, Dec. 26, at 4 p. m.

The double ring ceremonies were performed as the two couples stood before the altar which was backed with white gladioli against a background of fern and palms and lighted with tall white tapers in candelabra. The pews were marked with white satin bows. The Rev. Ralph W. Todd, pastor of the church, officiated.

Mrs. Ralph W. Todd, organist, played a program of nuptial music preceding the ceremony. John A. Dulany sang two solos, "The Lord's Prayer" and "Because," accompanied at the organ by Mrs. Todd who also played the traditional wedding marches.

The brides, daughters of D. M. Hillier of Pahokee, were given in marriage by their father.

Miss Thelma Jean Hillier wore bluish bridal satin and Miss Donna Joanne Hillier, ice blue satin. Both gowns were styled with fitted bodice, Peter Pan collar, of chantilly lace and seed pearls. Down the front of the bodice and at the wrists of the tight, pointed sleeves were tiny covered buttons and the full skirt extended into a court train. Their finger tip illusion veils fell from old-fashioned satin bonnets embroidered with seed pearls. They carried arm bouquets of white orchids and carnations.

Miss Kathryn Williams of Miami, maid of honor for Miss Thelma Jean Hillier, wore Nile green satin and Mrs. James T. Holden,

sister of the brides and matron of honor for Miss Donna Joanne Hillier, chose American beauty satin. The gowns of both attendants were fashioned with fitted bodice, square neckline outlined with satin folds, and full skirt. They wore matching bows in their hair and matching mitts. Both carried arm bouquets of white carnations.

Miss Nancy Hillier, sister of the brides, and Miss Marion Jones were bridesmaids. Miss Hillier wore aqua satin and Miss Jones, American beauty red satin. The gowns of both were styled with fitted bodice, shirred picture neckline, cap sleeves and full hoop skirt. They also wore matching bows and mitts and carried arm bouquets of white carnations.

David Byron Potter of West Palm Beach was Mr. Brown's best man and Harper Clark, Jr., of West Palm Beach was best man for Mr. Potter.

Mrs. Hillier, mother of Mr. Potter, chose a peacock blue crepe gown with winter pink and duobonnet accessories.

The ceremony was followed by a reception at the home of Mr. and Mrs. D. M. Hillier. Assisting at the reception were Mrs. J. C. Schoepel, Mrs. Gordon Hillier, Mrs. Leonard Dobrow and the Misses Mary Mullis and Mary Makus.

After a wedding trip on the East Coast Mr. and Mrs. Brown will make their home in New York and Mr. and Mrs. Potter, on Gardenia St., West Palm Beach.

Mr. and Mrs. H. M. McIntosh and family had as holiday guests her parents, Mr. and Mrs. C. R. Mathis, Sr., and son of Panama City.

The board of trustees of the University of Tampa has voted to increase the faculty from 45 to 50 full time members.

## Salvatore - Wilson

Mr. and Mrs. John E. Wilson, Pahokee, announce the engagement of their daughter Jean Marie, to Milton W. Salvatore, son of Mr. and Mrs. Carmen Salvatore, sr., also of Pahokee.

Miss Wilson is a graduate of Pahokee High School and attended Florida State University, Tallahassee. She is now employed with the Snyder Chevrolet Company.

Mr. Salvatore is a graduate of Pahokee High School and is now engaged in farming with his father.

The wedding plans will be announced at a later date.

## January Meeting Of WSCS Scheduled

The Canal Point Methodist Woman's Society of Christian Service will hold its January meeting at the home of Mrs. Francis W. Cross, Sr., Tuesday at 2 p. m., with Mrs. W. K. Buchanan, president, presiding. While the meeting is in progress a nursery for preschool age children and infants will be held at the Sunday school building under the direction of Mrs. Osceola Upthegrove for the convenience of mothers who wish to attend.

## Linda Hand Has A Birthday Party

Mrs. Lester Hand entertained recently with a party for her daughter, Linda, who was celebrating her sixth birthday anniversary. The hostess presented books and balloons as party favors and served refreshments of ice cream, cake and punch to approximately 25 guests.

Mrs. Zona Burns and daughter, Ann Rita, accompanied by Mrs. Burns' mother, Mrs. H. T. Monroe, are visiting relatives in Georgia this week.

Dr. Charles E. Creel was accompanied home from Abbeville, Ga., this week by his mother who will spend the winter here with her son and family.

## A Tonic For The Missus

The missus came marching in with a new hat yesterday. She was as happy as a circus poster.

I've learned one thing about the hats she buys. A hat is a tonic to her. If she's feeling blue, nothing gives her a lift like a new hat. Now, I could trade in my old grey fedora without raising my blood pressure a notch. But I'll admit that more than once I've bought a new briar pipe I didn't need—just because life was getting a little bit monotonous.

With Buck Howell it's something else again. When Buck is feeling

low, he gets over it by blowing on a broken-down clarinet he hasn't mastered in twenty years.

From where I sit, different people are always going to respond to different things in different ways. So let's keep a friendly understanding of what other folks get out of a new hat, an old clarinet, a chocolate soda or a temperate glass of sparkling beer or ale now and then.

## Cinematic Chatter

By Malcolm Miller

I am quite sure all who listen to the radio remember the broadcasts "My Friend Irma," with Marie Wilson doing Irma. Those who have followed this series of comedies will want to see the original Irma on the screen, and they will have that opportunity at the Prince Theatre, Sunday-Monday, when the picture of that name is screened.

For a thumb-nail, the film "My Friend Irma" tells the story of Irma (Marie Wilson) and Jane (Diana Lynn), two working girls, who room together in Mrs. O'Rielly's west side apartment house. Jane is ambitious, wants to marry a millionaire and lands a job as secretary to one, (Don DeFore), who falls in love with her. Irma loves Al (John Lund) unemployed dreamer who wants to get rich the easy way. Lund meets two ambitious and talented youngsters, Dean Martin and Jerry Lewis and tries to promote them into a Broadway show, using everyone in sight. Dianna Lynn and Martin fall in love, but Jane thinks she should marry money. Irma takes things into her capable hands and in spite of her bungling, everything turns out happily for everyone concerned.

This rollicking comedy will be just the type show you folks will enjoy.

See you at the movies—Mal.

## Livestock Building For The Tampa Fair

TAMPA—Work on the new livestock building for the Florida State Fair is moving along rapidly. With fill being moved in and steel going up this week, Fair officials expect the building to be completed in time for the opening in January unless bad weather should interfere with the building program.

This new livestock building, to be one of the finest in the Southeast, will have an arena seating 832 persons and a show ring 45 feet by 32 feet, where the judging will take place. The building will house 350 animals.

With the completion of the \$85,000 livestock building program, the structure will still be only about two-thirds completed, as the fully completed building will be about 240 feet by 240 feet. Funds available permitted only the construction of the building as designed for the 1950 Fair.

This year for the first time, livestock will be split, with pure bred dairy cattle being shown at first and pure bred beef cattle the latter part of the Fair. The Fair will be held from Jan. 31 to Feb. 11.

## Fire Control Board Named By Warren

TALLAHASSEE—Gov. Warren Friday named seven new members to the board of commissioners to the Everglades Fire Control District and re-appointed three others.

New appointees are:

Jim Hargrove of Lake Placid, to succeed N. B. Jackson.

Charles Minor of Clewiston, to succeed E. M. Cornette; W. D. Roberts of Immokalee, to succeed W. H. Turner.

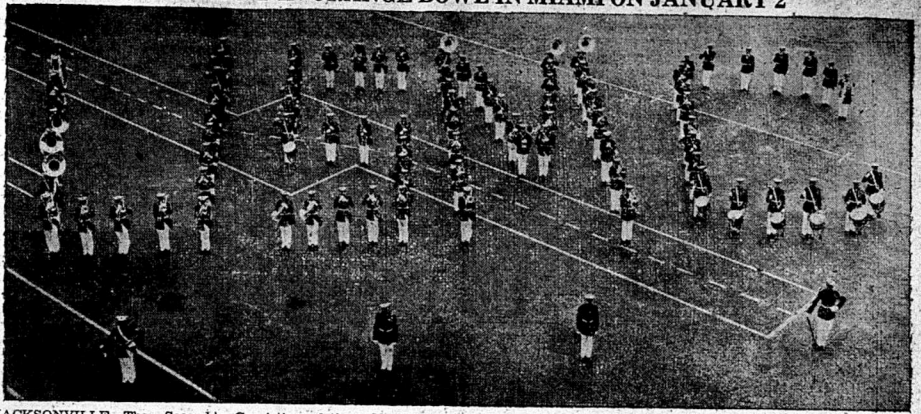

Harry Kieffer of Fort Pierce, to succeed Dr. I. O. Bishop; R. A. Burgess of Okeechobee, to succeed S. R. Ralston; W. H. Peeples of Moore Haven, to succeed W. B. Norton; B. Brack Cantrell of Fort Lauderdale, to succeed L. H. Fitzsimmons.

He reappointed C. M. Green of Belle Glade, O. D. Hattaway of Indian Town and Cason Ives of Ojus.

The Florida Experiment Station states that either citrus or blackstrap molasses can make large savings in livestock feeding costs if the product is supplemented with protein and fed properly.

Florida's new financial responsibility law has been termed as "an effective safety measure" by the Capitol Insurance Administrators.

## WILL PLAY IN ORANGE BOWL IN MIAMI ON JANUARY 2

JACKSONVILLE—The Second Marine Division Band, which will appear in this year's Orange Bowl festivities, was organized in 1943 and since then has earned the reputation of being one of the outstanding military bands in the country.

Consisting of three 29-man sections and the Division Drum and Bugle Corps, the band appeared at the Fourth Marine Division reunion in Washington this summer, and at the national American Legion convention in Philadelphia.

According to Commissioned Warrent Officer F. A. Lock, the band's Miami appearance will feature such famous marches as Sousa's "Semper Fidelis," written for the Marine Corps by the March King

while he was leader of the Marine Band.

"The bandsmen are thrilled with the prospect of appearing in Miami and are working hard to perfect their routines," said Lock, the band's director.

OPTIMISTIC—Dan McCarty (left), of Fort Pierce, who will serve for the second year as the Florida Campaign Chairman for the American Cancer Society, talks over plans for the new year with Dr. Ashbel C. Williams, of Jacksonville, new president and Executive Committee Chairman of the Cancer Society's Florida Division. Both officials predict that 1950 will be the most successful year in the Division's history. Activities of the Society in Florida include support of research, service to cancer patients, and education, both of the general public and the medical profession.

## Lakeland Rodeo Scheduled Jan. 1 & 2

LAKELAND—Pans are all set for the eighth annual Lakeland Rodeo which Producer Oscar Clemens of Kissimmee says should be the biggest and most colorful ever presented here. Four performances have been scheduled—afternoon and night shows on Dec. 31 and afternoon shows on Jan. 1 and 2. The rodeo is being sponsored by the Lakeland Junior Chamber of Commerce and the Imperial Polk Dodge Fair Association. In addition to the main events, a mile-long "Cowboy on Parade" will wind through the streets of Lakeland at noon, Dec. 31, and will wind up at Bryant Stadium for the first performance.

Other features will include a stock show, a Palomino show, a queen contest to select "Miss Rodeo" and other specialty acts.

## Southern Voice Pleasing On Radio

GAINESVILLE—A University of Florida professor thinks a natural Southern voice sounds better on the radio than a flat Western tone or Northern tone.

But the drawled "kaint," "you all," and "honey-chile" slangs are definitely taboo, according to Dr. Lester Hale, director of the speech and hearing clinic in the university's speech department. Dr. Hale says the standard Southern speech is the most musical of any regional dialect but you have to combine good diction with it.

He cites a well known Floridian, Red Barber, Columbia Broadcasting System network sports announcer, who started out in Florida, has been very successful in his broadcasting work and much credit is due because of his unusual voice.

## BRAHMAN CATTLE SHOW

OCALA—There will be \$2980 at stake in 25 classes for animals in the sixth annual Ocala Brahman Cattle Show and Sale, scheduled for Jan. 17-20.

R. G. (Bob) Herrmann, sales manager, said all animals will be entered and inspected Tuesday, Jan. 17. Brahmans will be judged Jan. 18 and 19, with awards to be presented at the annual banquet on the evening of Jan. 19.

The annual sale of registered Brahman breeding stock will be held Friday, January 20 at 1 p. m.

## Large Displays By 11 Counties At Fair

TAMPA—Eleven Florida counties have already indicated to Florida State Fair officials that they will sponsor large displays of agricultural products at the state exposition which will be held from January 31 to February 11.

As last year, Hillsborough, Pinellas, Polk, Pasco, Hernando, Volusia, Marion, Gadsden, Manatee, Highlands and Indian River counties will offer their most unusual exhibits which have always been a big feature of former fairs.

The county and government exhibits committee of the Fair Association has authorized construction of a new lounge for county home demonstration agents and their assistants in the Fair office building, commonly called the "Pink Building," inside the Fair Grounds. County agricultural agents already have a room set aside where they may relax while not at their displays of fruit and vegetables.

The Florida Agricultural Extension Service is busy with plans for 4-H Clubs' participation in the 1950 Fair. The 4-H displays will be located in the Pan-American Building and will have as its theme, Better Living for a Better World. There will be demonstrations several times daily sponsored by 4-H'ers of many Florida counties. The last day of the Fair, February 11, will be 4-H Clubs Day and the club boys and girls will present a program from the stage in front of the grandstand.

The present cost of the entire tuberculosis control program in the United States is estimated at more than \$300,000,000 a year. This amount includes expenditures by public and private health agencies for the care of tuberculous patients; case finding; public health nursing; health education; rehabilitation; treatment by private physicians; assistance to families where the wage earner has tuberculosis; medical research, and pensions to veterans. The cost of hospital construction is not included.

Lychees, Florida's new exotic fruit now grown commercially, was part of an exhibit of rare tropical fruits on display at the University of Miami.

## Inheritance Tax Is Boost To Treasury

The sagging Florida General Fund balance was boosted nearly one third with receipt of an unexpected \$1,000,000 inheritance tax payment from the estate of Edward S. Moore, for a number of years a winter resident of Palm Beach and later Miami Beach.

Comptroller C. M. Gay's office announced that the million-dollar check had been sent in with a regular tax return, which has not been audited. It is subject to adjustment, with perhaps an additional payment due later.

It was one of the largest single estate tax payments Florida ever has received, and automatically boosted the General Fund balance, by nearly a third.

Comptroller Gay was out of the city and could not be reached immediately for a comment on whether it will allow the State to pay some of the bills that have gone unpaid for two weeks.

Florida levies no specific inheritance tax of its own, except the amount that it is allowed by Federal law as a kick-back on Federal taxes.

## Community Heads To Be Named For Red Cross Drive in March

WEST PALM BEACH—Appointment of community chairman to conduct the annual Red Cross fund drive in March is expected to be completed this week, according to P. F. deMoya, county campaign chairman.

Mr. deMoya said he and Melvin Livengood, executive director of the chapter, would tour the county this week to hold a series of conferences with community Red Cross leaders for the purpose of selecting fund chairmen.

The first local chairman to be named was Fred O. Dickson, Jr., who will head the West Palm Beach drive.

## Ask Additional Time To Finish Dormitory

TALLAHASSEE—The C. and R. Construction Company has requested the state to grant it an additional 150 days to complete a \$2,000,000 men's dormitory at the University of Florida. The request was made in reply to a letter from the State Board of Control that the construction company would be held liable for damage if the job is not completed by March, as provided in the contract.

W. F. Powers, secretary to the Board of Control, said the firm's request will be acted on at the next meeting of the board in Sarasota on Dec. 15. The construction firm said the extension of time was requested "because of delays caused by the Board of Control, its agents, servants and representatives."

### Red Cross Story Told By Rev. Drummond

WEST PALM BEACH — The story of this county's Red Cross disaster organization and the part it plays in time of hurricane emergencies, was told Tuesday in Philadelphia by the Rev. Winslow S. Drummond, chairman of the county Red Cross disaster committee.

Mrs. Guernsey Curran, Jr., vice chairman of the county chapter, said Rev. Drummond, pastor of the First Presbyterian Church here, was selected to tell the story by the Pennsylvania group. The address was given before members of the Southeastern chapter headquarters, largest Red Cross chapter in the nation which held its annual meeting this week. Theme of the annual session was Red Cross disaster work.

In his address, Rev. Drummond reviewed the principals of Red Cross in both relief and rehabilitation work during disaster emergencies, a story which included statistics and data compiled by the Palm Beach County disaster organization during hurricane emergencies.

Particular emphasis was placed on the type of disaster organization such as has been inaugurated in Palm Beach County where each community is organized under the county steering committee which has headquarters in the chapter house in West Palm Beach.

Rev. Drummond, Mrs. Curran said, was well qualified to tell this story since it was under his guidance during the past year that Palm Beach County was organized to perform a disaster operation which has been termed one of the most successful of all time.

In addition to serving as county disaster chairman, Rev. Drummond has served as a director of the county Red Cross chapter since 1944 and has also been a member of the annual meeting committee.

An illuminated and animated chart of industrial controls—enabling manufacturers to see at a glance what is happening any moment at hundreds of processing points over thousands of square feet of plant area—was shown by Brown Instruments division of Minneapolis — Honeywell at the Chemical Exposition.

### 45 Floats Ready To Take Part In Fair

TAMPA—Nearly 45 floats, including 12 pirate theme floats of the Gasparilla Krewe, have been entered to date in the annual Gasparilla parade to be a feature attraction of the Gasparilla invasion day, Feb. 6. A. L. Cuesta, Jr., chairman of the parade committee, has announced. This attraction, which has been growing in popularity, is expected to attract visitors from all parts of the United States. It takes place during the Florida State Fair which will be held from Jan. 31 to Feb. 11.

Cuesta said that 26 bands, including one from Valdosta, Ga., would also be in the parade. Other features will be a section of palomino horses, a motorcycle drill squadron and grotesque figures in costume.

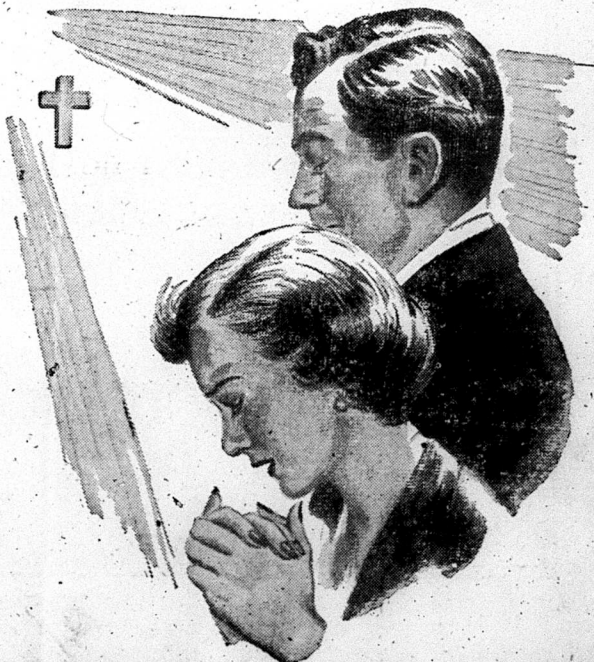

There will be civic and industrial

## Come to Church

You'll get a deep satisfaction out of attending the church of your choice on Christmas, out of offering your personal thanks before the altar of your faith and praying for continued blessings in the company of other sincere and grateful people. Christmas time is one of the most appropriate times of the year to renew the rewarding habit of attending church regularly. Watch the columns of this and other newspapers for announcements of special Christmas services in the Glades.
